Events By *Kress*

Let's dive into the world of Events by kress and uncover the exceptional services designed to exceed your expectations in the field of organizing and providing services for business events (Exhibitions, conferences) and private occasions.

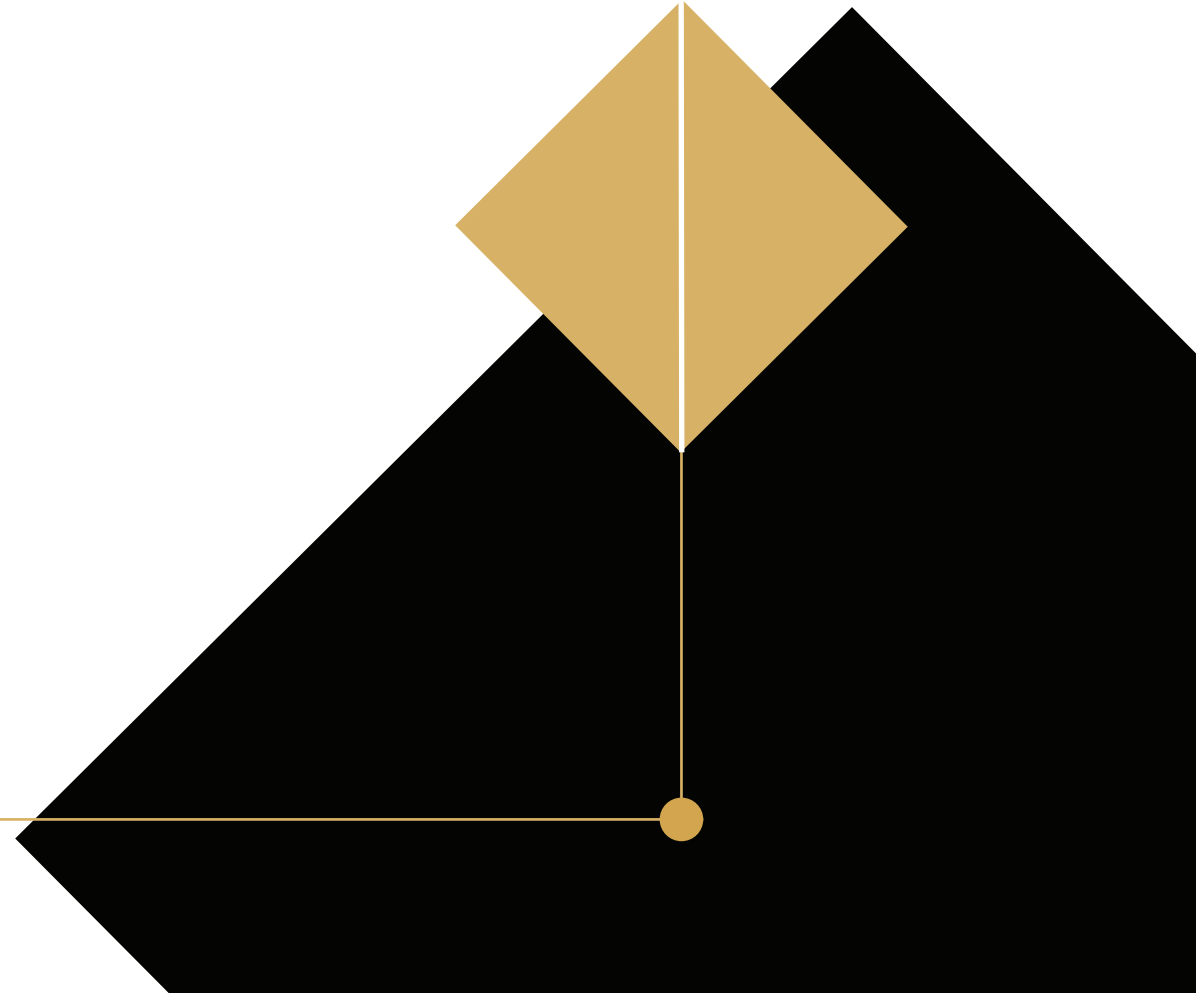

Every booth we create is a statement ,crafted to reflect your brand's power, precision, and presence

About Events By *Kness*

A French-born agency with over 25 years of expertise in creating events that connect people, celebrate stories, and inspire emotions. From Paris to Riyadh, and Dubai, our journey has been defined by a simple belief, that every occasion deserves to be meaningful, elegant, and unforgettable.

Our booths are designed to attract, engage, and convert visitors.

Our *Clients*

T A L I Y

Our clients' words reflect the trust and excellence we build with every event we create.

Paper & Paper Industries Exhibition

This year, we noticed a remarkable difference in the overall positive energy of the exhibition. From the moment we entered, we were greeted with warm smiles and a welcoming registration team. The floral decorations were truly exceptional, and the photos and videos captured the atmosphere beautifully. It was an experience filled with elegance and joy.

Orderman Yacht Event

Thank you so much, Events by Kress. Our company's launch could not have been more exceptional from the elegant yacht selection and exquisite catering to the professional photography, the warm and attentive hostesses, the live band and singer, and the carefully chosen gift items. Every detail was perfectly curated, and you truly exceeded our expectations.

Ilycée Francais International Georges Pompidou

From our very first contact with Events by Kress, we were impressed by their fast response and ability to fulfill our requests with such efficiency. Their work was exceptionally clean, and the elegant floral arrangements added a true touch of class to the venue. They clearly demonstrated how professional and refined their event management truly is.

Taliy Jewelry Launch Event

We truly appreciated the exceptional service provided by Events by Kress. Your valuable advice meant so much to us, especially since it was our first private event. It felt as if the owner herself was part of our team, her personal involvement and care made a lasting impression on all of us. Thank you so much, KRESS.

Magellan (Italy) - The power of Connection Event

Everything was perfectly arranged from the use of the finest, high quality materials to the flawless execution of every detail. Even our visitors noticed the exceptional setup. Despite the event's complexity and the many important elements involved, everything went smoothly and professionally. Kress was the driving force behind the entire operation, and everyone could feel the passion and precision that made this event a success. Thank you so much you truly hit the mark.

Air Vision AI Event

The furniture was exceptionally clean it felt as if everything was being used for the very first time. The sense of order and elegance truly defines your company's signature style.

3B Experience confidence and activity Program

Thank you, Events by Kress. We will never forget the incredible adventures you organized for us from the desert safari to the yacht trip. We also truly appreciated your warm welcome, hotel arrangements, seamless coordination, and even the certificates you prepared for us.

Every activity was perfectly planned, and the food was absolutely delightful. It was a wonderful experience from start to finish. We trusted you from the very first moment, and you truly lived up to that trust we've not only found a great partner, but also a friend."

Ebdaa International

Your early arrival before everyone else gave me complete confidence that everything would run on time and smoothly.

The event unfolded perfectly and the presenter you chose, Rein Maila, was an excellent choice. She was confident, professional, and engaging throughout the program.

The models were graceful and well-trained, and the reception team was polite and highly professional. When we honored you during the event, it was because you truly deserved it. You will definitely be part of every event we organize in the future.

At Events By *Kness*

We are a company that builds stands and exhibition platforms for your specialized trade shows. But in reality, we are also an event management, project management, and marketing company. We always complete what we start with professionalism. We follow through on building the stand with details we offer you to complete your exhibition participation. Ask us about the additional services available.

Professional Photography *Services*

We also provide professional photography services for your opening day, capturing your moments with visitors and clients at your exhibitions. When it comes to photography and videography, we ensure that your brand shines.

Elegant *Hospitality*

And we don't stop there we add a delightful touch of elegant hospitality: Trend Dubai chocolate, delicious cookies, and luxurious French macarons.

Gift *Items*

We continue that brilliance with gift items offered to clients and visitors throughout your exhibition.

All of this adds to your exhibition participation, completing what we began from the initial design to the end of the show. We wish you a successful exhibition, and thank you for your trust in us.

We won't tell you *We're the best*

We'll let our work speak and
leave the judgment to you.
